April 2020

**We advice all our readers to
stay at home and be safe
from COVID19.**

Central Public Procurement Portal (CPPP) of Government of India is operational since 2012. It hosts the Government eProcurement System (GePNIC) developed by National Informatics Centre in close coordination with Department of Expenditure, Ministry of Finance. CPPP provides a single point access to all the tendering information on various procurements made across the country.

It facilitates :

ePublishing - Publishing of tender enquiries, corrigendum & award of contract details.

XML - Facilitates publishing of tender comprehensive information of other eProcurement system

eProcurement - Facilitated through – GePNIC[®] implemented in 550+ Central Government Ministries/ Departments and Public Sector Units, it is also being rolled out across India in 30 State Government /UTs.

During this unprecedented nation wide lock down (From 25th March 2020) to combat COVID 19 pandemic, most of the procuring entities decided to extend dates of bid submissions and responses to various Notice Inviting Tenders (NITs) issued by them. Only extremely urgent procurement notices related to Medical equipment, urgent maintenance works and other important tenders were processed.
